#### CURRICULUM VITAE

# Sofia Yli-Pelkonen

Media technology student

#### WORK EXPERIENCE

05/2018– IT Department, summer backup

08/2018 **H&M Finland Ltd.**

My main tasks included acting as a help desk for office users, troubleshooting, observing and notifying about tickets and requests, configuring and installing hardware. This position helped me to develop my logical and technical thinking and took my problem solving to another level.

12/2015– Assistant Store Manager

08/2017 **Monki, H&M Finland Ltd.**

My most important tasks were maximizing profit, planning and human resources on a store level. I developed good problem solving skills, learnt how to prioritize and to work under pressure.

04/2013– Sales Advisor

12/2015 **H&M Hennes & Mauritz Finland Ltd.**

My typical work day included customer service in demanding fast paced environment and planning and executing daily activities. I learned to react quickly, being efficient and make common sense decisions.

#### EDUCATION

08/2017– Media technology, engineer

**Metropolia University of Applied Sciences**  
Information and communications technology majoring in media technology. The studies include mainly front-end web development with JavaScript, CSS, HTML. Also some fullstack development and media studies e.g. photo and video editing and media distribution.
